"High Note"

Time to Give Thanks, Time for Celebrations, Time to Show Your Bling
Historic Covenant Amendment Approved by the Members
No Dues Increase Recommended for 2018

Notes from the President LF POA December 2017
Written by Victoria J. Phelps

Victoria J. Phelps
President, LF POA

As we move into the major Holiday Season, we are reminded to give thanks for all that we have been given and are called upon to help those out that may need a helping hand or be in need. This is the time of year where visiting friends, and family bring much joy. If your schedule allows conducting a simple act of service such as checking on a local neighbor, making a donation to a worthwhile charity, or working at a local food bank to provide a holiday meal can also enhance your joy.

Our community is ending the year on a **High Note!!** Because of "You" we have successfully amended our existing covenant documents with our historic vote by the members conducted at our Special Meeting on 16 November 2017. Thank you to all of you that voted and attended our special meeting held at the 19th hole. We now have one covenant "master" or "universal" document that lasso's into one document all of the 31 existing covenants. The covenant document can be viewed on the Lake Forest web site http://www.lakeforestdaphne.com. Thank you Patrick Collins and Mary Ann Hampton that worked very hard to develop this document for your consideration.

Our further recommendation is that we use this document "as is" for a period of one year. Next steps for our covenants will be to hear from you regarding any future changes you think we may want to consider making. The change process we completed was conducted with a two way conversation between you and the board. All future dialog regarding other possible updates or changes will be rolled out using the same communication methods. So in 2018, let us hear from you if you think there is a change or amendment needed. If requested by the members we could bring a change for you to consider next year.

We are pleased to welcome Tracey Anderson and our new GM from Vision Golf, Kenny Szuch. Tracey has joined the team at the office as our new office admin and receptionist as a replacement for Missy Hoover. She is getting up to speed very quickly and we have high hopes for her. Kenny has a strong background in golf as a former pro, golf management and customer service. Welcome aboard Tracey and Kenny. Missy Hoover, whom many of you knew has moved on to another local position. Missy was very talented and performed a wide array of important administrative and communication tasks on behalf of our organization. Prior to her departure, the board of directors also issued her a letter of appreciation for her outstanding performance. We wish her well in her new position and say thanks for a job well done.

Neighborhood Clean Up Results: Since my last note calling for neighborhood clean-up after Hurricane Nate actually netted some positive results. We have seen visual improvements everywhere. There was a spirit of volunteering that was welcomed by some and spurred them into action. Whether you cleaned your own property, your local curb area, or got out with friends or family and worked to improve a median common area, your community thanks you!!

Additional good news, two of our four main entrances have been recently updated and enhanced with new flora. Windsor and Bayview (Highway 90) entrances have been improved by our common ground landscape contractor Braxton's Landscape. Also cleaned up was the overgrown vegetation along Golf Terrace Drive entrance to 19th hole. Springtime of 2018 the recently planted items will look first-rate.

We are also evaluating getting the overgrowth along tree line located between swim and racket and central park removed. This will aid in walkability connectivity between a LF amenity at swim and racket and the 33 acre central park as well as provide a visual line of sight that was lost long ago. Walking paths for central park have been fully renovated by the city and are just looking for users. This is the perfect time of year to get out, stretch your legs and enjoy a walk in the beautiful park space located off Lake Shore Drive.

Marina: In November LF completed a significant improvement project and investment in the marina which repaired and restored about 250 linear foot of the old deteriorated bulkhead. On behalf of LF, Hutchinson Moore and Rausch provided engineering and construction oversight for contracted services provided by ASI, Inc. The project final result is exceptional. The bulkhead project along with the city replacing the boat ramp launch and finger pier have enhanced our marina. In 2018 we will look to develop a project that will repair the damaged piers left by Hurricane Nate as well as for other improvements and repairs for the marina.

Dues and Assessment for 2018: As part of this year's LF Budget Review Process the Finance Committee did not recommend a dues increase for 2018. There was a recommendation for an assessment for 2018 which will be utilized for the upcoming Ridgewood Pool and Site renovation project. The full board approved both recommendations. The Ridgewood Project will be completed will similar elements placed at Montclair Pool Site and will include updated playground equipment.

Key Accomplishments since my last note include the following items:

1. Amendment of the Covenants completed Special Meeting of the Members.
2. Marina Bulkhead and Sidewalk repair completed.
3. Windsor and Bayview Entrances enhanced and flora replaced.

"President's Questions and Answers Segment for the Members," reflected below some of the more prominent items that seem to be of elevated interest.

1. **Will there be a dues increase in 2018?** No, none recommended.
2. **Will there be an assessment in 2018?**

HIGH continues on ***Page 10***

General Managers Report

The future looks bright

Kenny Szuch
General Manager

I would like to thank everyone for the Southern Hospitality extended to me and my wife as I continue to learn my way around this large Lake Forest community. I remember playing the golf course in the 70's when it had a grand opening and I am extremely excited to be on board with a tremendous Team that is already in place. My career has given me the opportunity to manage sites from what is now Trump Doral to Alabama's Robert Trent Jones Golf Trail. With the tremendous growth throughout the Daphne area, I feel it is a perfect time to display the amenities Lake Forest has to offer and create some new activity with all of the outdoor recreation that is available.

We plan on offering complimentary golf clinics for everyone, including juniors, ladies and seniors or couples. Even if you have never played or hit a ball, we will provide equipment, Professional Instruction, a great learning environment and a lot of FUN for anyone who wants to enjoy this great game. Our ladies groups are looking for new faces to join them as well as the Men's Golf Association and Mixed Couples play. We will keep everyone informed on the schedule for some meet and greet on the practice facility and a chance to introduce myself to a lot of new faces.

The construction and clean up at the Yacht Club is progressing and will enhance the entire facility. As we all know, even the Good Lord can't create any more waterfront property, and if there is a better view than a sunset from the back deck, I haven't found it. I would encourage everyone to visit Noel Riley and his culinary skills during the upcoming holiday season. It is a perfect venue for your social or family event and his staff are there to take care of all of your needs.

If you do not want to tackle the mall Christmas traffic, our Pro Shop can provide holiday gifts without the hassle. Be it something in stock or a special order, our staff is there to make sure everything is done in a Professional and timely manner to provide the special holiday gifts you need.

On behalf of our entire Lake Forest Team, we wish everyone a safe and healthy holiday season !

All the Best,

Kenny Szuch, PGA
General Manager

LAKE FOREST GOLF

By Collin Farrell
Lake Forest Yacht
& Country Club
Golf Professional

Collin Farrell
Golf Professional

I want to start by saying thank you to all of our US Veterans out there, as a golf shop staff we really do appreciate your service that you gave for our country and for protecting our freedom. This year has been a wonderful year in the Golf Shop and on the golf course as we have hit record numbers in the last 3 years. We have exceeded expectations and we are looking forward to finishing off the year the right way!

November was an exceptionally busy month for us at the golf course. We hosted 3 tournaments and had a very good turnout for each one. Our Veterans Day Scramble was a very competitive tournament that came down to the last couple of holes. Congrats to Don Rimmer, Ray Drake and Charles Wilson for winning low gross and to Tom Ewart, Tommy Ewart, Greg Ewart and Phil Becker for winning low net. For this tournament we decided to donate all the proceeds to Homes for our Troops which will be the second year that we have donated to them.

December is here which means it is almost Christmas time. Do not forget we have our annual Christmas sale in the Golf Shop on December 14th from 4-7. We look forward to seeing everyone come up here and buy Christmas gifts for their family members!!!

I can't leave you without a golf tip for the month. The best way for everyone to get better over the holidays is to go to the range and PRACTICE! Practice doesn't necessarily make you a better player but perfect practice does make you a better player. So I challenge you to get out and come see us at the course! We will help you become a better golfer.

Merry Christmas and Happy New Year

From Our Families
To Yours

Daphne High School Athletics Department National Signing

Three Daphne High student-athletes were recognized for their accomplishment of making collegiate plans to play sports at the next level today. Surrounded by family, friends, coaches, and the

Daphne High administration, the athletes signed their letters of intent to officially accept athletic scholarships offered to them by the following colleges/universities:

Aspyn Godwin (Softball) – Auburn University

Aspyn Godwin is a catcher signing with Auburn University. Dating back to her freshman year on the Varsity softball team at Daphne, she has compiled a batting average of .426 with 44 doubles, 41 home runs, and 136 RBIs, and 66 stolen bases.

She was a First Team All-State selection in 2015, 2016, and 2017. She was named the ASWA 6A Hitter of the Year in 2016, and she was named to the North-South All Star game in 2017.

MaKenna Pierce (Softball) – University of Southern Mississippi

Makenna Pierce is a pitcher/third baseman signing with the University of Southern Mississippi. Dating back to her freshman year on the Varsity softball team at Daphne, she has compiled a batting average of .420 with 48 doubles, 19 home runs, and 146 RBIs. In that time she also amassed 600 innings pitched, with a record of 62 wins and 16 losses, 652 strikeouts, and a 1.07 ERA.

She was a First Team All-State selection in 2015 and 2017, and she was named Second Team All-State in 2016. She was also named the ASWA 6A Pitcher of the Year in 2017.

Kennedy Cronan (Softball) – University of South Alabama

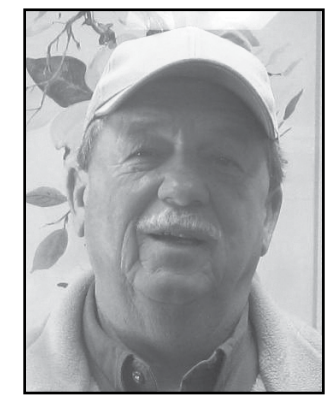
Kennedy Cronan is a shortstop signing with the University of South Alabama. Dating back to her freshman and sophomore year at Gulf Shores and including her junior year at Daphne, she has compiled a batting average of .457 with 51 doubles, 19 homers, and 139 RBIs.

She was a First Team All-State selection in 2017. She was also named to the North-South All Star game in 2017.

Congratulations to these three student athletes and their families.

The Fishing Hole

Winter Time Fishing



Billy Harrell
Harbormaster

December is finally here and the water temperatures have dropped into the upper to mid- 60's. October and November provided some great fishing and the weather was good till the strong winter fronts showed up. The bay and rivers are muddy due to the wind and rain, but the salinity of the water is about 5 parts per thousand in some areas of the Delta. This means flounder are back down to the gulf and the redfish are all alone in the Delta and trout are moving to the deeper channels of the creeks and rivers. What this really means is the cooler weather makes for cooler water temperatures and the fish bite becomes slower. Also, live bait becomes harder to fine.

As the water temperatures get colder and colder the shrimp and bait the Speckled Trout and Redfish are feeding on, will eventually move out of the Delta and rivers and the fish will start moving north and hanging out in deeper water where they can be caught bouncing artificial baits on the bottom.

Personally, I don't fish very much this time of year due to the holidays and weather. When I can find time, I am usually doing maintenance on my boat or fishing gear. I try to get things ready for next year and prepare for the upcoming fishing events and activities that happen at the marina. Also, I collect Toys for Tots at the marina harbor shack till Dec. 15th.

Have a great and safe Christmas Holiday and have a Happy New Year.

Till next year, keep a tight Line.
Billy Harrell
Harbor Master

Lake Forest Garden Club Landscape Award

Mailbox feature adds a very special touch.

Classical landscaping is timeless

Submitted by Linda Crowell
Lake Forest Garden Club Member

Mrs. Peggy J. Kelly has been a Lake Forest resident for over 10 years. Her lovely yard shows her strong, continued care, with mature classical shrubbery framing her thick, even lawn. Always neat and well-trimmed, this yard seems to want to win an award anytime of the year. As it doesn't rely on flowering landscape, it is the perfect home to be honored in a more dormant season. The house sits on higher land which enhances the total look of the property.

Accent furniture pieces like the iron chairs and table in the front yard invite visitors to sit and stay awhile. The waterfall Japanese maple to the left of the driveway is an interesting focal point, regardless of the season. Right now, all of her beds are tucked under a deep blanket of pine needles, making them ready for winter and looking very neat. This yard is very low maintenance, giving Mrs. Kelly time to walk her dog and visit with her family.

A feature that makes it worth driving by this address is her mailbox landscaping. Low miniature boxwoods, neatly trimmed surround a yucca-style plant in a pot. (Mrs. Kelly doesn't know what the plant is — her daughter bought it for her.) The postman must enjoy dropping off mail every day!

Mrs. Kelly loves gardening, which she finds therapeutic and relaxing. The rest of us get to enjoy the results!

132 Worchester Drive is Fall/Winter Lake Forest Garden Club Landscape Winner

To Our Neighbors:
After much consideration, the Lake Forest Garden Club has decided it will no longer be conducting the annual Christmas Decoration Contest.
The garden club has enjoyed sponsoring this special event for many years. We are confident that many of our families will continue brightening our streets with festive decorations for us all to enjoy!

The Lake Forest Garden Club wishes all a Very Merry Christmas!

Lake Forest Yacht Club

Noel Riley
Food & Beverage Director/Assistant General Manager

Merry Christmas and Happy New Year from the Lake Forest Yacht Club and 19th Hole! I hope everyone is ready for the Holidays, I know here at the yacht Club we can't wait! Our staff; Curtis-Nadine-Jeff-Tori-Jill-Jenna-Caitlin-Ross-Gabby-Adela-Jerri-Darcy-Deanne; all wish you the best and happiest holidays!

Take a break from the shopping, cooking, and house guests and come enjoy our weekly specials like BOGO half off Burgers with Rock and Roll Bingo on Wednesdays; Thursday night buffets; and Karaoke Fridays from 7-10pm.

Don't forget to check your calendars for New Year's Eve and make reservations for our Surf and Turf dinner. Dinner service will be from 5-8pm and the club will close at 9pm to ensure you have ample time to get to your late night parties on time and full of good food.

We will be closed for Christmas Eve and will re-open Tuesday the 26th. Check out the calendar in the Lake Forester for all the happenings and going ons during the month.

We are already filling up for room rentals in January so book now for your parties and take advantage of the member discounts on room rentals. Let us put the perfect event together for you. We appreciate all the folk we see on a regular basis and hope to make new friends in the coming year. Come see what we offer here at your Lake Forest Yacht Club.

Why I moved to Lake Forest

Submitted by: Tomasina Werner
tomasinawerner@gmail.com
Phone: 251-626-0227

I found it interesting reading how this month's neighbors, Connie & Dave Mahoney, seemed to have moved from one area of paradise to another when they moved from San Diego to Lake Forest — even though vastly different. They knew the meaning of involvement. They understood the secret of a happy life is by enjoying what is available where you are presently living.

Connie and Dave Mahoney

"Golf, Golf and More Golf — Never Too Much Golf!"

By Connie Mahoney

Dave and I moved from San Diego, California to Daphne, Alabama on July 1, 1993. We had previously visited our son and his family who were living in Lake Forest and absolutely loved it. Michael was moving his business to Houston so they called us to see if we would be interested moving into their home in Alabama. Dave had just retired from his second career in shipbuilding. California was really getting crowded and taxes were getting high. After living in beautiful San Diego for over 30 years, it was still a difficult decision. All 5 of our children were grown and being in the Navy for 23 years which means moving a lot, we decided to take the leap and move.

Our first 2 days after arriving were spent painting every room in the house, before the movers came. We met our neighbors and then we really started to play golf. We played twice a day, 6 days a week and sometimes 7, if we went to other area courses. We joined the Senior Couples Golf Association, which at the time had over 200 members. We played a golf tournament every Friday morning and 5 times a year we played a Sunday tournament then went to the Yacht Club for dinner. Dave joined the men's Golf Association (MGA) and I joined the Ladies Golf Association (LGA). Yes, we got involved! Dave was VP and President for 3 years of the senior group and I was President for 1 year. The senior group was so big we had several committees and one was the "social events," which I loved. I was also President of the LGA for 3 years. Additionally, we organized a non organized group of new golfing friends named the "anonymous group" (We could never decide on a name.) and played once a month followed with potluck dinners at each others homes on a rotational basis. This group lasted for 12 years. Yes! We played a lot of golf.

I joined the Women's Club and Garden Club. I learned a lot about gardening in the south, but that was not for me, however, the Women's Club was a better fit. In the Women's Club, we had fundraisers for various charities and still do even though we are a much smaller group and yes, I eventually became President. Found out there was a lot of talented people amongst us. We wanted to do more for our community and also have fun. We had spaghetti dinners and talent shows or maybe I should call them "Productions." The whole community enjoyed these. Today our Women's Club meets every 3rd Thursday for socials and lunch. Interested in joining this fun group, call me or the front LFPOA office.

A few years ago our General Manager asked me for help with the Christmas decorations. I got 20 couples to help. Back then we still had the big club house which had 2 dining rooms, a big bar area that over looked the back nine, a reception area and the 19th Hole. We also decorated the Yacht Club, another big project and all the entrances to Lake Forest. After the demolition of the big club house, our task got a little smaller, but was still an effort. Every 1st Monday after Thanksgiving, we do this decorating. The decorating usually concludes at noon so we enjoy a lunch of pizza together at the club. If interested in helping, I can always use some additional help.

Dave and I take advantage of many of the amenities that are available in Lake Forest and consider living here a real joy.

THE LEARNING COVE
Preschool, Infant Care

Lake Forest Women's Club

Submitted by: Tomasina Werner

An absolutely gorgeous autumn day greeted the members of LFCWC when they congregated for their October 19th monthly meeting at the Lake Forest Yacht Club with its breath-taking Mobile Bay view--all primed for the delicious catered lunch being prepared by Chef, Ms Nadine and the Special Program lined up by Connie Mahoney with Simon Coulls, Managing Partner for Vision Golf Management, who manages the LFPOA.

As I began writing this report, I was reminded of what this organization has meant to me. What made us friends when we first met so long ago? Well, I think I know. The best in me and the best in them made it so. We did fun things that made us grow -- like fundraisers with dinner theaters & variety shows. Moving to Lake Forest knowing no one in 1994, I was eager to meet my neighbors and make new friends. I joined the club in 1995 and volunteered on committees leading to other volunteer projects in Lake Forest and the city of Daphne.

I became president of the Women's club in 1997 and have enjoyed being a member of this special group for 22 years. Several memberships exceed my 22 years. The current oldest membership is Doretta Bottenus with 31 years. Through the years, many changes have taken place, but we cling to the basics: Making new friends, fellowship with each other, interesting programs and being involved within our neighborhood. Any ladies interested in visiting, or joining, please call the LFPOA office at 626-0788 for information.

Martha Thomas, Coordinator, opened the meeting by greeting everyone and welcoming our visitors. The program being first on the agenda, Connie introduced Mr. Coulls, who would be speaking to us about the many wonderful things that have been taking place in Lake Forest since his employment as Managing Partner for Vision Golf Management. The members were looking forward to having him speak and I must say we were not disappointed. He began with a brief background of his personal history in the world of golf, leading to his present occupation with Lake Forest and continuing with the many wonderful changes in our landscape and amenities which we are enjoying today.

Thanks to the wonderful reports being made in "The Lake Forester," we were aware of many of these exciting changes within our community which made his comments even more interesting. His visit came at an extremely important time. The LFPOA membership had just received a special notice of "Proposed Amendment to Declaration of Covenant 2017" requiring a membership vote. The members had several questions which he was able to answer. He ended with a Question/Answer session well participated by the members. Thanks to Connie and Mr. Coulls for this great program.

Martha brought the meeting back to order with the "Inspiration" being given by Tomasina Werner. Business was discussed and committee reports were given. Hostesses were: Martha Thomas, Tomasina Werner, Karola Buysse and River Lotus. The 50/50 Raffle was won by Mary Taulbee and Tomasina Werner. The Door Prize was won by Kathy Springman. The meeting was adjourned for lunch with another pleasant memory to add to our memory bank.

Submitted by:Michael Albrecht, USPTA Head Tennis Professional

Attention all we will be having our next night time tennis social December 8th from 6:30 PM to 9:00 PM. Our night time tennis socials are full of fun times and fun tennis. For $15 a person you get drinks, food, prizes, and lots of rounds of tennis. To sign-up go to www.lakeforestdaphne.com and go to tennis homepage. See you all on the courts.

Here is a list of our junior classes every week. There are some good things happening on the courts here at Lake Forest. Most recent we in the month of November we had a student, Lena Lutz, win a tournament in Enterprise AL I the girls 14 and under. Also, the following weekend she took third and won the consolation bracket in the girl's 14 and under in a tournament in Mobile AL. Contact Mike Albrecht to get your child started in lessons at 251-648-3952.

Monday and Wednesday – 5:00 PM to 6:30 PM Junior advanced

Wednesday – 4:30 PM to 6:00 PM Junior intermediate

Tuesday – 6:30 PM to 7:30 PM Advanced 10 and under

Attention all ladies we have 2 classes a week for you to sharpen your tennis skills. Tuesday's at 8:30 Am is our ladies 3.0 clinic. It runs for an hour and a half and the cost is $15. On Friday's from 9:00 AM to 10:30 AM we have an open ladies class and the cost for that is $10.

Just a reminder that we have a ball machine that can be placed on any court for use and it is free to LFRC members. It is a great way to practice up on your strokes. We can help set it up for you and give you a quick tutorial on it. Call 251-648-3952 to reserve a time.

Tennis Tip OF THE MONTH

When approaching the net in doubles make sure you stop at the service line. Make your first volley and move forward to finish the point. Be sure to have your partner back you up on the opposite service line. Always remember…doubles is won at the net

Extend the Life of Your Sewer System and Save Money!

Sewer systems that are not cleaned annually can experience premature failure. When the system fails sewer can back up into your home. As your local sewer expert we want to help you avoid this unpleasant experience. To avoid this we recommend that you clean your sewer station annually.

Deluxe Cleaning is $226

1. Pull all sand, grease and debris and basin.
2. Check Control Panel, tighten all electrical connections and spray with contact cleaner to remove any corrosion build up.
3. Install electrical sealant to prevent corrosive vapors from entering Control Panel.
4. Check motor for signs of excessive wear or seal trouble
5. Adjust and check Floats for proper operations and maximum storage to reduce short cycling
6. Check Control Panel of Pump as well as Discharge Piping and connections inside Basin.
7. Replace any missing/corroded bolts with new fasteners and replace weather stripping between lid and basin, if necessary
8. Place BioSmart enzyme in Basin, inspect bait traps and cycle station for proper operation.

Standard Cleaning is $199.

Same as Deluxe, excluding the Drain Cleaning.
