FINGERS CROSSED.....we shall replace the outdoor oven with the best golf weather of the year....Fall has finally arrived as you may have noticed with your television bombarded with college football and potato chip ads. This means the growing season will be slowing down and the golf course will be fabulous with smoother greens and more tolerable rough. Our tree removal project is again underway as I type this, opening up the 12th hole for better playability and sunlight, giving you a wee bit more room for the wicked slice, and allowing the grass to fill into the bare spots that have stayed in the shade. With football in full form, our Saturday afternoons are wide open, so if your team isnt playing, come on out for a rare quick 18 on a weekend.

Upcoming events include The Mobile Seniors who will be rejoining us October the 8thth, Ladies Team play will be on October 14th, and the MGA 6-6-6 event will be October the 17th. Sign ups will be in the pro shop. We will also be getting ready for our Veterans Day Scramble on November 11th Open to all.

On a final note, the golf course is for golfers only between the hours of 7:00am and 6:00pm, we respectfully ask that residence not walk, run, ride, or walk pets during these operational hours. This is for your safety alone, as golfers unfortunately, do not always know where that ball is going. YES, THIS INCLUDES NO BIKE RIDING ON THE GREENS!!!! Thank you for your cooperation.
