The Pro's Corner

JULY 2026 article

Submitted by: Todd Bailey, PGA

This is the part of the year where we talk about frost delays and dressing in layers....just kidding. Last July it was so hot you could hear the trees whistling for dogs, so be prepared for the next couple of months while doing anything outdoors. When on the golf course, even though we have a beverage cart and water coolers, please make sure you stock up in the 19th hole with enough liquid refreshment to get you back to the clubhouse in one piece. While a dozen beers sounds refreshing, you may want to throw a few bottles of water or powerade down the neck as well. Don't even worry if you get some on your shirt. Also, take a towel for your clubs and one just for you to wipe off perspiration. In addition, do not forget to dress for the heat – that's very important. Do these few things and you'll have a great time and maybe lower that score.

Our MGA Member-Guest was canceled this month due to the foot of rain we accumulated in the week prior, which should hold us in good stead to get the grass on the fairways and greens in the best shape possible. The next event will be our July 4th Scramble sponsored by the MGA.

Our first week of Junior Golf Camps was held June 8th - 11th and the kids had a blast while we sprinkled a little golf knowledge their way. Our next and final week of Summer camps will be July 6th – 9th from 8:30-11:00 Monday – Wednesday, with the kids playing on the golf course on Thursday beginning at 7:30 and ending at 10:00 with lunch. We still have spots open and we would love to have you join us!
