Garden Club

The yard of the quarter for November is 102 Venture Circle owned by Shelley Hayes. She has live in Lake Forest for five years.

Before she moved from Houston, TX she did her research where to live and she chose Daphne! She also did a lot of research on flowers, trees, plants and shrubs for our hot summers and buckets of rain all in one day. She also bought from locals and out of town shops.

The landscape includes crepe myrtle, zoysia, periwinkles, vegetal pitosporums, azaleas, red oak trees, purple anapathus, sky pencil holley, blue wisteria, Nellie Steven's Holly and a Jane Magnolia.

Shelley has spent a lot of time creating and keeping her vision.

Golf Pro's Corner

By, Todd Bailey

This is absolutely my favorite time of year to be on the golf course. The Bermuda grass growth is under control, the temperatures have cooled down a good bit, and course conditions are the best of the year. Jake has done a wonderful job getting the course in fantastic condition, and with his determination, our course will only get better. Tree removal continuing to allow turf to thrive in some of the shaded areas including a couple of tee boxes, as well as laying down rye grass on the tee boxes and practice tee. Thank you for all the hard work.

The next event will be the Veterans Day tournament on Wednesday, November 11. Our annual golf shop sale will be held Thursday, December 3rd from 4:00p.m. – 6:00p.m., so keep that date in mind. The golf shop is well stocked for the winter months, so everyone can find something perfect from golf balls to winter wear. Come enjoy some hors d'oeuvres and beverages while you spend that hard earned credit book money, or just come by and buy a gift for that special someone.
