Lake Forest Infrastructure and Capital Projects Updates

Roads, Sidewalks, Watershed and other Key Stuff

Written by Vice-President Victoria J. Phelps for January 2020 for LFPOA

Friends, Neighbors, and Local Associates,

This note is written to provide our community with positive news and updates for key Lake Forest City Infrastructure projects and for our large POA Capital Projects.

It has been nearly a year since my last note to you regarding updates for infrastructure and capital project updates for "our" beloved community. With Board President John Lake at the helm, with help and support from the community, from our board-members, and from our managing partners at ICON, I have continued to work "to advocate", "to coordinate", and "to facilitate" improvements for our community while serving as our organizations Vice - President, Long Range Planning Chair, Grounds Chair and City Liaison. Project updates and sup-

porting information as follows;

In 2019, our local City Government Representatives and Key City Staff have begun implementing both Road and Sidewalk Improvement

Plans that were developed over many previous years, were finalized in 2018 and budgeted for in 2019. Key improvement projects are planned to continue beyond 2019.

We have received important consideration by our local leaders for these projects. All seven of our City Councilmen continue to provide needed leadership and guidance to enable these improvements. Our City Leaders have been doing a great job! Councilmen LeJeune, Councilmen Coleman, and Councilmen Scott in particular, have ensured we get our needed improvements planned and funded. Daphne Planning Executive

Victoria J. Phelps
Vice President, LF POA

Decorative post with stop sign and street name

Director, Troy Strunk, and Daphne Public Works Director, Jeremy Sasser, and their Crews ensure these items get implemented within budget and with limited delays.

Road Improvements in 2019 and beyond; This year the city began to implement a city-wide 20-year phased road paving plan for all city owned and maintained roads. All city roads are organized by District and classified by condition. The selection of which roads will be scheduled for re-paving is to be based primarily on road condition classifications. The "worst" condition roads will be prioritized and targeted for re-surfacing. In Lake Forest we had several roads re-surfaced in 2019. Currently our city maintains about 140 total miles of roads throughout 7 Districts. The 20-year phased approach will enable nearly 5% of city owned roads to be re-surfaced annually does include all roads within Lake Forest. You can get more information regarding this by contacting the Councilmembers that represent your district and

Lake Forest; Robin LeJeune - District 6, Ron Scott - District 5, Joel Coleman - District 3 and Doug Goodlin - District 4. Additional paving in Lake Forest will dove tail nicely with previous years paving Ridgewood and Bayview which was accomplished from 2010 to 2014.

Sidewalks for Lake Forest in 2019 and beyond; Our installed sidewalk segments to date have been transformative by becoming a popular recreational item enjoyed by many. The "Goal" is still to create a more walkable community by installing Trails / Sidewalks from the Lawson Rd and County Rd 13 intersection through Lake Forest that will connect with Jubilee Shopping Center, to the Lake, to Central Park and ultimately to the North Main Highway 90 Gator Boardwalk. Our walkability improvements also provide safe routes to schools and to our own amenity locations such as our 3-three pools and parks.

“Another year come and gone”

Notes from the President LF POA January 2020

Written by John Lake

It is hard to believe that another year has come and gone. So many things have been accomplished in the last 12 months here at Lake Forest. We have continued to replace our signposts with posts that reflect who we are; from the sidewalks from Windsor drive to Ridgewood, finishing the third refurbishment of the Ridgewood pool and planning to repair the yacht club, yes, it has been a busy year.

John Lake
President, LF POA

2020 has already started with planning for the general meeting and election of board members. With us starting on the yacht club renovations, expect things that you can be proud of.

Lake Forest is a unique community. Our diversity is our strength; for next year my resolution is that we will become stronger.

We as a community can resolve to build a community that we are all proud of and can call home and yes this is my home and I am proud of Lake Forest.

We have come so far over the years. It was only a few years ago when some were talking about our past glory. Now we are talking about our future greatness. When you drive our streets, notice we truly are a forest with rolling hills and streams; our homes are not alike but diverse. I think no other subdivision can boast our unique beauty.

This did not happen on its own but was built on the backs of previous board members. In the past they have received so much criticism, but still answered the call of community. One of them was Steve Sasser, who grew up here and worked until he had to move, but I know his heart is still with Lake

Forest. Another board member is Mary Ann Hampton. Many may not be aware of all the criticism that she has received. She originally came on the board we when had a debt of over \$500,000, and our amenities were fading fast. Her tireless work to correct the finances and bring our community back was an especially arduous task on her part, but I know she was doing it not for this generation, but for future generations to look back and

remember that others were willing to give themselves to make our community a better place.

Victoria Phelps is a great gift to our community. Every time you look at the streets that have been curbed and guttered, even the signposts, or go into a pool and notice that certain things are reflective of our efforts such as deck chairs, umbrellas, and the flower beds at the entrances of our community. These are some of the things that she spearheaded with the board. Victoria is a person that is not motivated by only one thing. Victoria is altruistic. She looks to accomplish the task and is not concerned who receives the adulation. Victoria is truly a gift to our community.

Not many people can drive through a community and see their fingerprints, but these two people, Mary Ann Hampton and Victoria Phelps, both can know that no matter what happens in the future, our community is a better place because of them. I mention these two because they are up for re-election.

This year, please make one of your resolutions to become a part of our community and home. Until next time, stay well, and get to know your neighbors.

GOLF PRO SHOP *News*

Submitted by **Brian L. Barker, PGA**
Head Golf Professional

Well, another year has just flown by, and I would like to wish everyone a very Happy New Year! The cooler temperatures finally arrived in the later part of November and beginning of December creating some very comfortable playing conditions. This was very obvious with the increase in rounds over the last two months of 2019.

December was a great month for all of our golf associations. The MGA held the 2019 Membership Drive Tournament on Saturday the 7th, with 1st Gross being won by Josh Donaldson, Aaron Heether, Kevin Nabors and Mel Spivey with a 59; 1st Net went to Blaine Mitchell, J.R. Allstun, Maxie Cooper and Tom Moretti with a 55; 2nd Net – Mike McKown, Mike Schulz, Steve Szedlmayer and Tom Ames – 56; and 3rd Net – Jim Courtois, John Basco, Jack Popp and Bobby Wilson – 56. The Senior Couples held their social and dinner at the Yacht Club on Sunday the 8th. The Ladies Golf Association held their luncheon at the 19th Hole on Wednesday the 18th. Thank you to all the officers of each of these associations and Deanne (19th Hole) for all the hard work, it's definitely not an easy task coordinating it all to run

so smoothly.

2019 was a huge success in many aspects at Lake Forest Golf Club. There have been numerous improvements on the course itself, throughout the year, with the removal of many trees, overgrown brush, and the addition of newly sodded areas, which will improve the playability and overall aesthetics of the course. I would like to give a shout out to Kal, Jake, and their team for all of the continuous hard work that has gone in to obtaining the course conditions we currently enjoy. Golf revenues were up from the previous year, and 2020 is shaping up to be an even bigger success. We have already received contracts for many tournaments that will be held on Mondays throughout the upcoming year, so if the course seems a bit busier on those days that you would normally look out the window and see no one, don't worry, it's only the start of what will be a BIG year for rounds and revenues.

In the year ahead, the golf staff and I have some really exciting plans to continue many of the programs that were reintroduced in 2019 at Lake Forest. PGA Jr. League, junior summer camps, and the return of the ALNWFL PGA Junior Tour will be major focuses for us as these golfers are the future of the game.

December was a great month with many holiday parties! Special thanks to the Christmas Decorations Committee: Connie Mahoney, Jackie Kearney, Gail Dreas, Connie Bono, Terry Andrews, Kathy Anderson, Faye Redmond and Nancy Henderson for making the Yacht Club and the 19th Hole look so beautiful for the Holiday Season! We hope that everybody had a great and safe Holiday Season.

The Yacht Club ended up the year on the upside! Sales were up and expenses we're down. Chef Clint and his team are preparing a new menu to take the Yacht Club in a new direction for 2020. I'm

very excited about the new items that will be featured on the menu. We will be focusing on fresh seafood and Southern favorites.

2020 will also bring The Yacht Club Concert Series. Music will start March 7 and run every Saturday night until Aug. 29. I have already started booking music and will have a calendar of artists in the next month's newsletter. This will

New Head Chef Clint Delaney

be a must for your Saturday night to do list! Some of the artists will be Vickie Bailey, Matt Bush, Mitch Johnston and many others.

Valentine's Day is quickly approaching. We have a very special menu for you. See page for details. Plan on bringing that someone special out for great food, music and drinks while enjoying the best view on the Eastern Shore.

Visit our website to make payments, find news and updates and more.

**LADIES MORNING TENNIS SOCIAL
JAN. 24**

We will be having a ladies tennis social Friday, Jan. 24 from 9 to 11 a.m. Let's celebrate the new year and welcome all our new members and league players. We will play a few rounds of doubles followed by some good food and mimosa's. Please try to attend and let us know if you are coming. You can email us at lakeforestracquet@gmail.com

New Men's Tennis Member Policy

Starting Jan. 1 of 2020 all men who want to play and practice on a USTA team or BATA team must be a racquet club member. Let's all work together and help encourage new members to join and become part of an awesome group of guys. Becoming a racquet

club member is easy. Just pick up a form at the pro shop and sign up for our monthly rate of only \$35 a month. Any questions please to get in contact with us.

Kids classes for ages 4 ½ to 11 will keep going all year long

- Tuesday and Thursday from 5 to 5:30 p.m. Ages 4 ½ to 6
- Tuesday and Thursday from 5:30 to 6:30 p.m. Ages 7 to 10

Here is the information for the junior tournament training class. This class is invitation only and is held every Monday, Wednesday, and Friday from 5 to 6:30 p.m.

If you have any questions, please do not hesitate to call Mike at 251-648-3952.

Just a reminder that we have a ball machine that can be placed on any court for use and it is free to LFRC

members. It is a great way to practice up on your strokes. We can help set it up for you and give you a quick tutorial on it. Call 251-648-3952 to reserve a time.

Lake Forest Garden Club

Members and guests of the Lake Forest Garden Club are pictured with the Dirty Santa gifts on Dec. 5. We enjoyed a lovely buffet at the club and enjoyed visiting one another.

More members of the Lake Forest Garden Club. This club began in 1961 and are still growing and learning. Our next meeting will be January 2nd and the program will be presented by Gene Sellier on Gulf Coast Lawns. Please come.

LAKE FOREST GARDEN CLUB

Founded June 21, 1961

New members and guests are always welcome!

Meetings are at 10 a.m., the first Thursday of each month, September through May, at the Lake Forest Yacht Club.

"Check-in" begins at 9:45.

Our focus is the beautification through gardening of our homes, Lake Forest, and the surrounding community.

Meetings generally include a guest speaker on cultivating plants appropriate for our lower Alabama climate.

Members have a wide range of gardening experience, from the beginning novice to the master gardener.

The Lake Forest Garden Club sponsors the Quarterly Landscape Award, given in recognition of homeowners' work and care of their yards.

Please join us at our next meeting to make new friends and learn more about gardening in our area!

LAKE FOREST WOMEN'S CLUB

Where friendships begin and never end.
Meeting the third Thursday of each month
September through May
At the Lake Forest Yacht Club
Check in 10:45 a.m.; Meeting at 11:15 a.m.
(NOTE: Our club is taking December off.)

The purpose of our Women's Club is to promote social interest and good will in the community.

We enjoy delicious luncheons;
Guest speakers with interesting and fun subjects;
Opportunities to socialize or play games.

Please join us at our next meeting.
Guests and new members are always welcome.
Please contact Fay Redmon at: 210-215-0971 or
email mr.redmon@sbcglobal.net

LOOK FORWARD TO SEEING YOU SOON!

LAKE FOREST COMMUNITY WOMEN'S CLUB

Join us Thursday Jan. 16 at the Lake Forest Yacht Club.
Our guest speaker will tell us the history of Village Point Park and give us the latest info on new walking trails planned for Bayfront Park in Daphne.

Our luncheon menu will be a hearty beef vegetable soup with Italian bread and fruit cobbler for dessert.

Call or text Fay Redmon at 210-215-0971 or email mre.redmon@sbcglobal.net to reserve your spot.

THE SENIOR COUPLES *Golf Group*

The Senior Golfers held their annual Christmas party at the Yacht Club

By Carl Kauffman

The Lake Forest Senior Golfers held their annual Christmas dinner and social at the yacht club December 8. There were 52 people signed up and the food was great. The festively attired group feasted on prime rib, garlic mashed potatoes, asparagus with bearnaise sauce as well as salad and bread pudding for dessert. Beautiful table decorations made by Audry Marscharka were awarded as door prizes to six lucky winners. Chances for winning some cash were sold as a split the pot game. There was no live music this year, but the group was serenaded by Christmas cd's.

As this dinner/meeting marked the end of our year, an election of officers for 2020 was held. Next year's president will be Bill Bullock, vice president Rob Pote, secretary Betty Munn

and treasurer Barbara Swanger. This election marks the end of my term as president and I profer my thanks and appreciation to the membership for their commitment to golf and for bringing in several new members to join us in our Friday games.

As always, I appeal to any and all golfers age 50 and above to come out and join us on Fridays. During the months of December, January, and February we tee off at 9:00 due to the anticipated cold weather. Well, it's cold to us down here, but this would be disputed by our snowbird members who come down to avoid the real cold and snow up north. Next month you will hear from out new president his plans for this group and an outline of anticipated activities for 2020.

Here's hoping that you had a very merry Christmas season and are looking forward to a very happy New Year.

BOARD OF DIRECTOR VACANCIES

There will be three vacancies on the Lake Forest Property Owners Association Board of Directors in March. Persons who are interested in consideration as a candidate for election to one of these positions should submit the following package of information to the Association office no later than 4:00 p.m. on January 15, 2020:

1. A photograph suitable for publication;

2. A detailed resume' or curriculum vitae;
3. A short biographical summary that includes your reasons and qualifications to apply for a board position.

The package must be mailed through first-class mail, hand-delivered, or placed in the association drop box in a sealed envelope. No emailed information will be accepted.

INFRASTRUCTURE

CONTINUED FROM 1

install hiatus in Lake Forest from 2017 to 2018, the City returned to complete a new segment from our Windsor Entrance / at North Main and then connect with Ridgewood Drive to Bayview Drive at the "3-way triangle" intersection. Windsor Entrance medians were also improved with the removal of the older diseased Chinese Blue Oaks and the addition of American Holly Trees. All medians were groomed and graded with new sod installed.

Additional sidewalk segments for our neighborhood are planned for 2020 and beyond as part of the City

– Wide multi-year plan. For 2020, there is still some debate to as to the direction to continue with the next segment from Ridgewood Pool connecting with Bayview, or to install another needed segment such as along Bayview Drive or along the southern of Ridgewood Drive from the triangle to our Montclair Pool. Our utility power easement is also an option for passive trail connectivity that is planned for future improvements. Our sidewalks enable us to be better connected to each other and to the rest of our city.

Street Signs Decorative Post Install 2019; Our next phase for the change out of decorative posts is in progress and will be completed by the end of the year from Lawson to

Bayview. There are future phases planned with Windsor to the "triangle" being planned for early 2020.

Tiawasse and D'Olive Creek Stormwater – Watershed Projects for 2019; Mobile Bay National Estuary Program (MBNEP) is now coordinating with Volkert Engineering and Northstar a nearly 1,400 FT length stormwater control improvement project for Tiawasse Creek adjacent the south side of Montclair Loop. All legal "right of entries" have been signed and the project is underway scheduled for completion in about 120 days. Stormwater control improvements to the main stem of D'Olive Creek and the adjacent drainage line near hole number 9 of the golf course was nearly completed in 2019. MBNEP is coordinating with Mott, McDonald Engineering and Northstar to complete this project by Jan 2020. The creek projects will complete all planned stormwater work for the D'Olive Watershed which will clear the way for the Lake Forest Lake to be considered as a future project. City of Daphne's Ashley Campbell along with local Civil Engineers John Peterson and Andy James have contributed mightily to these highly successful and important flood control projects for our community.

Lake Forest Pools and Parks in 2019; No significant improvements were accomplished this year at these amenity venues apart from monitored security systems combined with active pool monitors were added to improve the member experience. Bench seating for all playground parks were completed early in 2019 along with final out fitting of final commercial pool loungers, tables and umbrellas. This was a year to operate and maintain these improved venues at a higher level from 1 April to 31 October.

Yacht Club Renovation in 2019; All structural support piles for this facility were repaired by either being encapsulated or wrapped as necessary in order to extend the building lifespan. Exterior and Interior

Design, planning, and cost gathering for this repair / renovation project has been underway most of 2019. Information will be forthcoming in 2020 once all necessary and relevant information has been gathered for consideration and for approval; then the project can be triggered for permit / completion.

"OLDE Town Daphne" Scenic 98 Speed Limit Reduction to 25 MPH; Recently the City Council voted to reduce the speed limit on Scenic 98 for 1.5 miles from Santa Rosa Avenue at Daphne Elementary then southward to WJ Carroll Intermediate School in order to improve pedestrian safety along this corridor as there are 3 schools, several parks, and eateries with increased foot traffic to protect.

In closing; A new year is just around the corner, and with the New Year ahead we have some systemic challenges that remain to be solved, so let's keep moving forward, step by step, inch by inch, together. Wishing you and all those you love a Happy, Heartfelt Holiday Season as well as a meaningful and successful 2020!! Call this last decade done!

YOU'VE GOT *mail!*

We appreciate the efforts of our residents to improve the image of Lake Forest. One way this can be done is by replacing old and dilapidated mailboxes. If for any reason you would like to purchase a mailbox like the one pictured above, or have a leaning Vandal Mailbox straightened, please email tomasinawerner@gmail.com or call 626-0227. This service provides removal of the old post and box, installation of the cast iron post in concrete and placement of the house number on the mailbox.

Thanksgiving Day Pics from the Yacht Club

Hot Diggety!

Schedule Early. **SAVE MORE.**

All manufacturers recommend annual maintenance for your home's air conditioning equipment and water heaters. Right now is the best time for you to make an appointment. During our pre-season discount days you can save up to 40% on your cooling system check and annual water heater maintenance.

Comfort, Safety, Savings –

A system check ensures your equipment is operating safely. Preventive maintenance also saves money by maximizing efficiency and minimizing costly breakdowns.

Hurry, the sooner you call, the more you save.
