VETERANS DAY

HONORING ALL WHO SERVED

November 11, 2019

November is here and the time for Thanksgiving is upon us. The traditional meals are being planned and families are looking forward to the holiday season. Many of us will have one or more empty chairs at the Thanksgiving table as some of our brave family members are currently serving our country.

We also honor military veterans who are home with us and those who have fought and died for our freedom. Veterans Day (originally known as Armistice Day) is a dedicated day to celebrate the courageous lives and their families. When one serves the whole family is in service. Please dedicate and humbly celebrate our heroes throughout the month of November. Be deliberate in giving thanks — for those that have been personally impacted by sacrifices are in great need of our appreciation. Be eternally grateful.

Have a Happy Veteran's Day! Your service and your courage is why we can safely give you thanks and honor.

“Amenities at Lake Forest”

Notes from the President LF POA November 2019

Written by John Lake

I would like to take an opportunity to talk to our neighbors about the amenities of Lake Forest. We live in a thriving community that has so much to offer. With 3 refurbished swimming pools conveniently located throughout LF, you don't have to look far to cool off in the summertime heat. Chairs and tables are placed near poolsides for families to gather in fun without the distractions of indoor technology. We want more time with our families and here

John Lake
President, LF POA

at LF, we strive to create spaces for just that. In addition to the sparkling pools, new playgrounds have made way into spaces that have so many of us at LF thrilled. You're only a kid once and LF aims to help each of you make great memories that will be cherished for a lifetime.

Thank you LF neighbors for bringing your request forward to the board regarding the operating pool months. We are excited to work with our neighbors on requests and gladly listened to your needs. The pools are now open from May-October. A cool and refreshing change that is definitely appreciated by many residents. The board heard you and we thank you for your patience.

Another amenity that you as Lake Forest property owners Association members have is our beautiful and established 18 hole golf course. Many people are not aware that the green fees are included in your dues. Please understand this does not include cart fees or range balls but it is still an amenity that many of you might not be aware is available. Golf is another terrific example of how we can unplug from the grind and relax. Ever wonder what exactly the fuss is all about when it comes to golf? It's peace and open spaces...and is available to LF residents, if you choose. Please use what you have where you live and live your life to the fullest.

Tennis amenities- With the parking lot often full of cars and players

waiting to hit the courts, we urge our LF residents to get involved. Clinics for ladies, men, beginners to more advanced, we offer it all. The Jr. tennis program has taken the eastern shore by storm. Up until a few months ago, the only regulation-size courts available in Daphne were those of Lake Forest. I might be a little biased but I still think we have some of the best courts, some clay surfaces, and unarguably the best views.

We also have horse stables. It's possible that many of you may not know that we have beautiful horses right here in our neighborhood. It is with pride that I share this enthusiasm for where we live. I cannot think of anywhere else in our area that you can enjoy so many things in sport and in nature and in your backyard.

Finally, you have one of the most beautiful views in the south — The Lake Forest Yacht Club. A majestic view of the sun setting after work and on the weekends is just another way to use what is available for your enjoyment. As for our food and beverage facilities, I can honestly state that if you are looking for a place to have lunch, check out the Friday lunch buffet at the 19th hole. At a reasonable cost, you get a fantastically home-cooked meal. Each week featuring a different menu. If you are looking for a friendly environment with good wholesome fresh cooked food, check out the Thursday buffet. There are special surprises abound at what your membership has to offer at Lake Forest. A place for young and old alike. You, members of Lake Forest, can enjoy additional amenities that are only available to us as LF residents. Please take advantage of all the things that you have at your fingertips and in your neighborhood. Unwind and enjoy where you live. Until next month, please be well and get to know your neighbors.

Head Golf Professional

Well we are finally experiencing the change in seasons with the falling leaves and the cooler temperatures. There never is a bad time to be out on the golf course for a little fun and relaxation, but if there were a perfect time, this is it. If you haven't as of yet, been out to see the transformation the golf course has went through over the last several months, come check it out. The agronomy staff has been working tirelessly, through record high temperatures, to get the course in the best shape it has been since I can remember. Thank you all for your hard work!

The time has come to crown a "Champ". Our Club Champi-

onship will be contested on Saturday and Sunday, Nov. 2 and 3. Tee times will begin both days at 8 a.m. Alabama is off, so there are no reasons not to come out and compete, enjoy a couple of days with friends, eat great food, and simply have a blast seeing who will come out on top of their respective flight.

Lastly, Monday, November 11th is Veteran's Day and we will be holding the annual Veteran's Day Scramble hosted by our Men's Golf Association. We will be attempting something different than in the past by combining both 4-person and 2-person scramble formats into the tournament. You can choose which flight you would like to be in. Call the golf shop at 626-9324 for more information or to sign up.

Stop by the Lake Forest Pro Shop for great deals on everything you need to master the game. Balls and tees are always in stock, along with equipment you need to score a hole in one. For more information, call 626-9324.

Lake Forest Yacht Club

Fall is in the air at the Yacht Club! Come on down and enjoy the crisp air on the patio with your favorite meal and beverage. Join us on Saturdays for all the College Football action! We open at noon on Saturdays and offer a free buffet to members from 3 to 5 p.m. We are also featuring a new burger at the Yacht Club. It's a terrific blend of ground chuck and brisket served on a toasted Brioche bun. The reviews are already coming in with a big two thumbs up! This will soon be voted as the Best Burger on The Eastern Shore! We are also featuring a different Dinner Special every Friday night. Check your email to see what's cooking at the Yacht Club this Friday night.

The holidays are quickly approaching and we will be open Thanksgiving Day from 11 a.m. to 2 p.m. serv-

ing up a buffet with all the traditional favorites. It's highly recommended that you call the office and make reservations as space will be limited. Reservations must be in by Friday the 22nd. See flyer on front page.

Mark your calendars for Nov. 17 for the Boaters Annual Chili Cook-off starting around 4:30 p.m. Please see page 7 for more info. This is a charity event supporting Prodissee Pantry. If you are unable to attend please stop by the Yacht Club and donate cans or boxes of non-perishable food.

Don't forget about the great food at The 19th hole. There's a wide variety to choose from for lunch or a quick snack. Every Friday The 19th Hole has a buffet of something delicious every week. Come on over to The 19th Hole and ask Deanne to whip you up something good.

YOU'VE GOT mail!

We appreciate the efforts of our residents to improve the image of Lake Forest. One way this can be done is by replacing old and dilapidated mailboxes. If for any reason you would like to purchase a mailbox like the one pictured above, or have a leaning Vandalet Mailbox straightened, please email tomasinawerner@gmail.com or call 626-0227. This service provides removal of the old post and box, installation of the cast iron post in concrete and placement of the house number on the mailbox.
