# “The meaning of Christmas”

Notes from the President LF POA December 2019

Written by John Lake

As December arrives, I hope everybody remembers what this time of year means. In our hectic lives we tend to forget the true meaning of what Christmas is. For me, Christmas is a time of hope for all, and for all of us to remember our blessings and gifts in our lives. We at Lake Forest are certainly blessed with many gifts. I hope that everyone will remember our two big Christmas events this month. Breakfast with Santa is an opportunity for everybody to bring their children and grandchildren out and feel the Holiday spirit in the air. Breakfast with Santa is scheduled for Dec. 21.

John Lake  
President, LF POA

The Holiday Lights contest is one of the biggest events we have all year. Who will win this year? The contest starts Dec. 1 and runs through Dec. 19 and this year we are giving away Visa gift cards for first, second, and third place.

I would like to give a special recognition for all those who came out and helped with the median clean-up. It was a great success and we had over 15 volunteers come out and show their community support.

I would also like to thank all those who were involved in the 1st annual trunk or treat Halloween program at the Country Club. It was a rousing success with over 300 people attending. The children truly looked like they were enjoying themselves and it was fun to watch them feel the Halloween spirit in a safe environment. I can't wait for next year!!

I would also like to take an opportunity to thank all the board members for their tireless hard work and for making many things possible. Mary Ann Hampton, who continually keeps an eye on our finances but also on the esthetics of our community. Ed Kirby, if you haven't got to meet this man you're missing

something. If you see somebody standing on a ladder changing light bulbs at the main entrance that's probably Ed.

Victoria Phelps, here is a lady who I don't think sleeps at all. She is always on top of everything. Whether it is making sure the historic signpost are in the right places, working with the city to repave the roads and install sidewalks or coordinating the median clean-up project most recently. Victory is a person who makes sure things get done.

David Dueitt, here is somebody who never tries to get in the lime-light but is always caring about the small things. When I was doing the minutes, Dave was sitting there worrying about them and when it comes to making sure our recreational facilities are up to speed, it's because Dave is paying attention.

Our newest member Mark Boyle's. Here is a man I learn something new about every month. He always comes in with questions but also solutions and if he criticizes something he has a way to make it better. We are lucky to have somebody of his caliber helping us in Lake Forest

Mike Morgan is a man that whenever I have concerns or need wisdom I can always turn to him and get it. He is a person whose works tirelessly and quietly to take care of his tasks. We are lucky to have somebody like him on our board.

I would finally like to thank all the homeowners for making Lake Forest the community it is. I hope everybody has a joyous Christmas and a happy New Year. With the New Year coming there are going to be more opportunities for Lake Forest and we all need to get involved. Let's learn to make our community a better place and thank you again. Please take time to get to know your neighbors.

Submitted by **Brian L. Barker, PGA**  
Head Golf Professional

Everyone loves Christmas time and we do too! We are preparing for our annual Golf Shop Christmas sale. Come out and join us on Thursday, Dec. 12 from 4 to 6 p.m. Everything in the entire Golf Shop will be 20% off for those two hours. We will also serve Hors D'oeuvres, draft beer and wine. If you have a golfer on your Christmas list this is the perfect time to find that special gift, and a great time to use that golf shop credit that expires at the end of the year.

November was a great month for a couple of well received tournaments. The 2019 Men's Open Club Championship was contested on the 2nd and 3rd, with Mike Williamson winning the Club Championship division in a sudden death playoff on the 1st hole. The Senior Cham-

pionship division was captured by Gray Englebert, and the Super Senior division was won by John Basco. Congratulations to all the winners and thank you to all that participated! The Veterans Day Scramble, sponsored by the MGA, was held on Nov. 11, with the team of Josh Donaldson, John Basco, Jim Courtois, and Tom Moretti winning 1st Gross. 1st Net was held by Terry Thompson, Jae Surret, Rich Chandler, and Greg Fillingim, 2nd Gross – Jason Hall, Steve Hall, Mike McKown, and Mike Schulz, 2nd Net – Steve Vermeulen, Phil Becker, Jim Marshall, and Mike McCort, 3rd Net – Maxie Cooper, Terry Fuller, Robert James, and Ethan Nicholls. Thank you to all who came out and supported this great tournament!

From our entire staff, I would like to wish everyone a Merry Christmas and have a safe and happy New Year!

Stop by the Lake Forest Pro Shop for great deals on everything you need to master the game. Balls and tees are always in stock, along with equipment you need to score a hole in one. For more information, call 626-9324.

# THE SENIOR COUPLES Golf Group

By Carl Kauffman

It's been pretty quiet lately for the Senior Golfers. We haven't had any extra activities other than our regular Friday golf scrambles which have been fairly well attended given the weather. As this is being written in early November, I can only mention an upcoming event without winners or scores. On Monday, Nov. 18, a golf outing to Quail Creek golf course has been organized for us by Tom Stiles. As of this writing 20 players are signed up and will compete in four person teams for low gross and low net scores. Our By-Laws state that all players are to have an established handicap. To this goal a committee of three of our members has been working to find a way to provide all of our members with golf handicaps if they are not on the GHIN handicap system.

Our annual Christmas social

and dinner is scheduled for Sunday Dec. 8 at the Lake Forest Yacht Club. As you should receive this before then, and if you are a "senior" (that is over 50) come join us. Simply call the Pro Shop immediately and have your name added to the list. The event starts at 5 p.m. and the dinner costs only \$22 per person. Also, at this annual meeting a slate of officers for next year is presented and voted upon.

As always, we are looking for new members and if you play golf at any level come out and join us. We play each Friday at 8:30 a.m. and will be happy to add you to our group. Although the group is officially named Senior Couples, you and your spouse need not both be golfers. We have very few married couples and most of our "couples" are simply male and female friends who play golf together.

Great night of Community Bunco!

By Angela Hodges

What a great night of Bunco, laughs, food, and fun! We had a great turn out at our second gathering at the yacht club! Each month we add a theme for a little more fun! This month we dressed as the "Lake Forest Witches" We enjoyed a rather tasty taco and nacho bar for dinner!

We welcomed new players, had great door prizes and a blast rolling the dice! This group of ladies are so much fun, and everyone looks forward to our time together! It is a great way to meet neighbors and make new friends! We have 24 ladies on the roster and I am blown away by the response!
