

AFTER SCHOOL **Program**

Wednesday afternoons from 4:00 - 5:00
August 21st - October 30th

Does your child need something to do after school this fall?

Keep your junior golfer involved in golf through the year by bringing him/her to our After School Program.

Sessions will be filled with fun and games while learning and improving golf skills. Different topics will be covered each week, so come as often as you can. Parents are encouraged to stay and work on their own games during this time.

\$15 per session

Call Lake Forest Golf Club (251) 626-9324 to sign up
